

Healing

In addition to the anointing with oil by the elders of the church (James 5:14), and the laying on of hands, there is the kind of healing any believer can have who will believe beyond the shadow of a doubt that *JESUS* bore sickness and disease on the cross. Therefore, he already is healed. (Is. 53, 1 Pet. 2:24.)  
**Do not get discouraged if your healing manifestation does not come immediately. Healing already is yours. Stand on the Word until it manifests.**
